Dear Resident of Botesdale and Rickinghall

We hope by now you have heard of the Neighbourhood Plan for the parishes of Botesdale, Rickinghall Inferior and Rickinghall Superior, which was launched earlier this year. The Neighbourhood Plan is being drawn up by residents working with your parish councillors. We want everyone to have their say.

This questionnaire is the next stage in the programme of public consultation, following several meetings of the Neighbourhood Plan Forum and small drop-in events around the villages. It reflects both the issues that have been raised by residents at these events as well as previously to the Parish Councils. If there are issues you feel strongly about which are not included, there is

space at the end of the questionnaire to mention these.

The Plan will help to guide any future development in the Parishes, as well as helping us protect what we like about the community.

We are distributing one paper copy of the questionnaire per household and we hope everyone will complete it. If there is more than one person in your household who wishes to complete the questionnaire, they may do so online, or you may download and print more copies for yourself.

There is a questionnaire within for anyone who is aged 11-18. Please make sure that everyone within your household who qualifies fills it out.

THERE ARE PRIZES TO BE WON!

All completed questionnaires received by 28th July 2017 will be entered into a prize draw with the chance to win...

YOUR PLAN, YOUR FUTURE, YOUR SAY!

PART 1 – HOUSEHOLD SURVEY

In this part of the survey we will be addressing the issues of development and new housing as well as collecting general information about living in the parishes of Botesdale and Rickingham. We will ask more specific questions about your personal housing needs in Part 2.

SECTION A: YOUR VIEWS ON HOUSING DEVELOPMENT IN THE VILLAGES

Botesdale and Rickingham currently have just under 1000 homes and have grown by an average of 12 houses per year since 2002. Predicted housing growth in the East of England region means that additional housing in the Mid Suffolk District Council area is inevitable. MSDC does not have an up-to-date Local Plan to guide planning (a new Plan is currently being drafted) so we don't know how much development we can expect. Botesdale and Rickingham cannot be insulated from change – “no development here” is not a realistic option. But we can influence the location of new development in the villages so that we –

- maintain the general character and layout of the village;
- try to meet the needs of local people; and
- minimize the adverse impact on local infrastructure, facilities and other assets.
