

## **Neighbourhood Watch Report 2023**

There are eight (8) people who are involved in the group for Botesdale and eleven (11) in Rickingham. There are another 50 people on my circulation of matters arising, mostly about reports from Stowmarket Police and other information.

I no longer hold yearly meetings of the groups, but I have a good contact at Stowmarket Police with, PC Stefan Henricksen, who is the Neighbourhood Watch Liaison Officer.

I would happily pass on my involvement to a new, younger person, who is far more familiar with modern communication techniques, than just my old computer.
