

**RICKINGHALL RELIEF IN NEED TRUST FUND**

The five Trustees meet twice a year in September and March.

We have twice put notices in the Parish Magazine to draw attention to the Fund and we are pleased to say that at our meeting in March we were able to award three grants to the three applications that we had received.

We have therefore made a total of £550.00 available to help with the purchase of course books for a Rickingham University student, we have helped with the cost of electricity and also helped with the attendance of the school's breakfast club.
