

RICKINGHALL DAY CENTRE 2017

We are delighted to report that the Day Centre continues to go from strength to strength and we now have a full membership, although we are happy to set up a waiting list should a new member wish to join in the future.

The usual activities continue such as a visiting musician, hairdressing, manicures etc., plus we could not do without the fine food provided by "The Bell" each week and the great team of volunteer helpers.
